"Her pussy swallowed up that dildo like a tiger feasting on its prey"

I'm a huge porn fan and have been for many years, but there's nothing quite like jacking off to a homemade porno, featuring some hot babe that you actually know.

I have a few of these in my collection; most of them I filmed myself with a girlfriend or fuck-buddy, but there are two of them – both lesbo – that are particularly special to me. They may not have been done in my presence, but they were both filmed especially for me – although the sentiments behind them definitely differed!

One of them is of Vicki, who I had a long-distance relationship with, and her mate, Daisy. I had no idea that they had even slept together, although I wouldn't have minded Vicki having the odd one-night stand, as we weren't too serious. And maybe that's one reason that it's such a turn-on; I got it in the post one day, totally unexpectedly, with a note from Vicki telling me to watch it alone!

The clip began with Vicki speaking to the camera, saying how hot and horny she felt whenever she thought of me, but that it was frustrating knowing I was so far away, and that she just had to do something to ease her sexual tension. The camera then turned to Daisy's face and I knew that I was in for a treat.

After a bit of a bad edit (critic, moi?), Vicki's face was in Daisy's pussy – eating it out in glorious close-up! She knew what she was doing alright; her soft, wet tongue probed Daisy's crease, teasing her fanny lips apart and mixing saliva in with all that girl juice. When she pulled her face away, Daisy's lips remained splayed apart and I could see her sweet little hole. Vicki spoke to the camera: "Is this what you want to see me do, baby? Lick out Daisy's cunt? Oh, it tastes so sweet. Now I know how guys feel – I just want to ram something hard up her tight hole. Would you like to see me do that?"

Fucking right I did! Then Vicki produced this huge vibrator that I'd used on her a few times. When you switched it on, it buzzed really loudly and the head lit up red. With one hand Vicki pulled Daisy's cunt further apart, then licked the vibro for lubrication and eased it up her friend's cunt. For a second the light on the end of the head made her snatch glow red, like when you put a torch in your mouth, but Vicki soon pushed it so far inside that the light didn't show.

Then, leaving it completely inside Daisy for a second, Vicki took the camera off the tripod to operate it herself. Zooming in nice and close on the action, she started to pump the vibe in and out with her other hand. Daisy started to juice up beautifully, especially when Vicki grabbed the vibe and, with a kind of stirring side-to-side motion, stretched Daisy's cunt every which way! I could tell that Daisy was about to climax because she kicked her legs in the air, began groaning loudly, and her pussy started swallowing up that vibrator like a tiger feasting on its prey! Damn, it's hot!

Then there's my other favourite tape that was made for me – this one I've had

for a couple of years, though. It's of a female synchronised swimming team, doing some un-synchronised diving of a different kind! For followers of such a wholesome hobby, these girls were sluts of the highest rank! It was at university, and, okay, so I happened to be screwing three of them at the same time, with my eye on a fourth.

As bad, or maybe, good, luck would have it, they all managed to find out that they didn't have exclusive rights to my dick and I was doing the dirty on each of them. However, rather than get mad at me and have me beaten up, they thought they'd get even by showing me what I'd be missing! Six of them had a night of total debauchery together and they then sent me a copy of the action they'd recorded, apparently to rub my nose in it! Talk about it backfiring!

Although the whole thing is dirty as fuck, the best bit had to be Sam, who I'd been seeing for two months, wearing a strap-on dildo and the other five lined up on their hands and knees, faces to camera. I couldn't have framed it better myself! Sam swaggered around (it didn't take long to figure out that she was aping me!) yelling, "Suck my dick, babe, and make me smile!" I can only guess that I must've said that a few times! The girls laughed as Sam rammed the strap-on into their mouths one by one. "Now show me those arses!" she squealed. The girls dutifully turned around so that all five arses were facing the camera. "You're gonna love this, you little tramps!"

"Oooh, you take my breath away, baby!" giggled Bethany, before adding, "Now fuck me like the big, hard stud you are!" "Here I come, baby," Sam replied, before ramming into her friend. It went in all the way, in one easy glide. Bethany must have been slick with anticipation, the filthy bitch! Sam really gave it to her hard and fast. At one point, holding onto her hat and pounding into Bethany, Sam turned her smiling face to the camera and yelled "Fuck you, Harry!"

"Oh, you've got to see Beth's face," Kristy, a busty brunette said to the camera. Getting up, she picked up the camera and took it around the other side of the action. Bethany was really red and her face was all twisted around in that really cute way that girls do when they lose control as they're being fucked. Sam's face however looked very different. She was like a slut possessed! "Take it, baby," she growled through clenched teeth as she slammed the strap-on into Bethany, who was grunting like an animal with each thrust. She started shaking all over, and panting with short, quick breaths. You could see her orgasm begin to ripple through her, her face distorted with ecstasy. She came silently, muscles tensed, while bucking and writhing under Sam's dildo assault. It soon proved to be too much for her and she

WorldMags.net

collapsed, exhausted but happy.

Sam wasn't done yet. Pulling out the strap-on, she thrust it at Kristy who was behind the camera. "Lick this clean," she demanded. Kristy obliged, firstly licking off Bethany's goo with the end of her tongue, then opening her mouth really wide and taking it all down her throat. She took it right down to the base with ease, a skill I had no idea she could perform!

Sam pulled away from her and then, once Kristy had brought the camera around for a pussy close-up again, she plunged into the next pussy on parade. Kate, Carol-Anne and Ems were all lined up, wiggling their arses in the air. It was no surprise to see Sam do what any man would've done, and fuck the lot of them, one pussy at a time! A couple of strokes in one, pull out, stick it in the next, a couple of strokes there, pull out again – next snatch! The three girls were pulling their arses apart in anticipation, not knowing when they were going to get what they wanted.

Meanwhile, Bethany had picked herself up, caught her breath and was around the front, snogging the faces off the three girls who were being screwed. A finger came into frame and snaked its way into Ems' arse as the strap-on disappeared inside her fanny. She came within seconds, and I could see that she was a squirter – as Sam pulled out the strap-on, a jet of watery liquid followed it and Ems' arse muscles clenched around the finger up there. Beautiful!

Bethany pointed out that Sam, Kristy, Carol-Anne and Kate still hadn't come, so she took the camera off Kristy, suggesting they get into two pairs and get down to some heavy 69ing. Kristy and Sam paired off, as did Carol-Anne and Kate.

From this point, the film shows about twenty minutes of great

"Tongues penetrate holes, lips clasp clits, fingers are pushed into cunts and arses"

close-ups of each girl licking out her partner. Tongues penetrate holes, lips clasp clits and fingers get pushed into cunts and arseholes – two or three at a time. The strap-on gets passed around, but this time used only as a dildo. One by one each girl reaches her own peak and collapses on the bed. Sam is the last to come, and probably the loudest. By now, all five other girls are working on her, Kristy chowing down on clit, Beth poking her cute little bumhole, Ems whipping up some cream with her fingers, while Carol-Anne goes for her tits and Kate smears her wet tongue around Sam's mouth. "Fucking hell!" Sam screams as her climax starts to kick in, her muscles forcing her to almost sit upright. The girls push her back down again and show no sign of letting up, fucking and squeezing her even harder as she works up to boiling point – and beyond.

Afterwards, she looks at the camera through heavy-lidded eyes, whispering, "Bet you wish you could've been here, sweetheart, but y'know, I think we've proved that we really don't need you! Bet you're gutted at what you're missing!" If only they knew that their 'revenge' footage has had the totally opposite effect to the one they wanted – and I still wank off to it regularly!

A sticky quickie with divorcé

My husband John invited his recently divorced friend Roger round for a drink.

I've got quite a dirty mind, and the news that Roger was now single immediately got me thinking about the possibilities the evening might hold.

I had always fancied Roger and wondered what it would be like to have him lick my pussy. I decided I would have to find out, as the thought of it was getting me really turned-on.

When I returned to the room with their drinks, John noticed a rip in my stocking and said I should change them. I returned moments later to find John showing Roger his DVD collection. I bent over in front of Roger to pick a DVD up. He noticed I had no knickers on and whispered to John that he would love to see more of my pussy.

I turned around and slowly lifted up my skirt so he could get a better view. John nodded in approval and Roger wasted no time. He pulled me towards him, buried his face in my pussy and eagerly licked my clit. He worked his tongue expertly around my pussy. He nibbled at my cunt-lips and lapped at my clit, sending waves of pleasure through my body. He'd obviously licked a few cunts in his time because he was brilliant at it – God knows why his wife left him.

Soon his fingers had found my by now dripping wet cunt

THE MOTHER LOAD

Celebrating Mothers Day in a fashion not traditionally found in greetings card shops and florists, this is a filmic ode to that special lady in your life who never lets you down – the MILF. If you like over-30, oversexed ladies who are definitely NOT over the hill, then get your mitts on Bluebird Films' *Your Hot Mom*. We certainly felt like sending a bouquet of thanks to the producers after ogling middle-aged muff like Diamond Foxxx (*left*), Rayveness and Tanya Tate (*right*) getting porked by lads half their age. Top of the world, Ma!

"While I slurped my husband's cock, Roger pounded in and out of my aching pussy. I was in heaven"

and he slipped two fingers inside. I reached down, unzipped his trousers and took out his already hard cock.

His cock was of a healthy size, and I wanted to repay him for giving my cunt such a good licking. I stroked it sensuously up and down before taking a firm grip of it. Then I wanked him at a good pace, making him groan with pleasure.

By now John was standing beside me with his hard cock in his hand. I reached over and took it in mine. I played with John and Roger's cocks for a few minutes and then asked John to put it in my mouth. I needed to suck him while Roger fucked my dripping pussy.

The lads made me lie on the floor so Roger could get his cock where he wanted it and John could see me getting fucked while I sucked him off. I was in absolute heaven. I slurped my husband's cock while Roger pounded in and out of my aching pussy.

I had always wanted to be licked, fingered and fucked by two blokes. I was getting so turned on and horny by the proper fucking I was getting that I knew I wouldn't be able to hold back much longer.

Roger must have been feeling the same because the next minute I felt his body stiffen as he pumped my pussy full of hot sticky spunk. Roger and John changed places and I got on all fours as I licked my cunt juice and Roger's spunk from his shaft.

John hammered my spunk filled cunt till I couldn't hold back any longer. As I climaxed John filled my pussy with a lot more spunk. By this time I was well and truly fucked but the lads insisted I lick their cocks and balls clean.

Now Roger is a regular visitor and pops in for a quickie at least once a week.

Debbie, Truro.

TRUE CONF

CHRISSIE HAS THE PERFECT HANGOVER CURE – AND IT DOESN'T INVOLVE RAW EGGS...

The last Fridays of the month are always a bit of a big deal at my workplace and a couple of lunchtime drinks at the office local generally turn into going on to a members' club in the afternoon and then drinking spirits until the early hours.

"I JACKED HIS MAN MEAT OFF VIGOROUSLY!"

So waking up the next morning at about 8:30, you can imagine how I felt! The problem was my boyfriend Noel hadn't been out the previous night and was due to get up for work. I could tell he was feeling horny as hell, and as he cuddled up to me, he nudged his hardening erection into the small of my back. As much as I wanted to give him what he wanted, I just felt terrible and could barely lift my head up from the pillow, moaning about my self-inflicted headache! He must have left frustrated, and I fell back to sleep for a few hours.

Waking up around lunchtime, I felt much better and suddenly found that I wanted Noel's cock badly! I was meeting him at the cinema after he had finished work, and all afternoon I couldn't get the idea of the sex I had forfeited earlier out of my mind. When I arrived, I kissed him so energetically that he was a little taken aback. "Feeling better, are we?" he questioned, sarcastically. I stuck my lower lip out, lowering my eyes apologetically and playing the 'hurt puppy' perfectly. He laughed at me, pulling me in for a hug, and I smelt his musky aftershave, making me just that bit more horny – and frustrated.

We took our seats and I leant right into him, running my hand forcefully down the length of his thigh. Sitting in the back of the cinema, I felt uninhibited enough to nuzzle and kiss the base of his neck. As the opening credits were about to roll, Noel's prick lengthened and thickened under my palm that was now up to his crotch. In the now dark cinema, I ran my hand up under his shirt, feeling his stomach quiver in anticipation. I undid the button on his trousers and, as quietly as possible, dragged the zip of his flies down.

Delving into his boxers, I grasped his rigid dick and started wanking it gently, rolling my fingers up and down the bent shaft and pulling the skin back, before pushing it back over his bell-end. Noel was looking around nervously, but as everyone was fixed on the movie, I gripped the base of his prick and levered it out of his boxers so it stood erect. As I began to toss him off freely, he leant forward; putting his

elbow onto his thigh to obscure the view of his cock from the people about ten empty seats to our right. Having waited all day for Noel's meat, I jacked it off vigorously, cupping and stroking his balls with my other hand. He huddled closer and placed his hand on the back of my head and I knew what he wanted.

My head slid down his chest as I pushed my ass across to the other side of my seat until I was almost lying on my side. Looking up slightly, his shadowed prick was framed by the glow of the screen and I lashed my tongue against it. Clamping my mouth sideways around his pole, I ran my tongue up to the tip of his dick and felt the soft foreskin against my lips. I lifted my head up and over his bell-end, then drove my mouth down over the shaft until I felt him against the back of my throat.

Noel instantly wrapped his arms around me, hunching further forward, mainly to hide what was going on, but also so that he could whisper his dirty thoughts to me, one of his favourite things to do. "I'm going to come in your mouth, you horny bitch!" he began, quietly into my ear, to which I swiftly responded by slipping my lips from his shaft. "What... What are you doing?" he stammered, desperately, as I sat back up in my seat. I smiled at him, wickedly, and whispered, "I've been waiting all day for that in my pussy, and that's where it's going to go!"

Looking around the cinema sharply, I saw the girl in the couple to our right look quickly back to the front but noticed that everyone else was caught up in the film. I thought about being more discreet (where's the fun in that?), but rather than thinking of taking it to the toilet, I merely felt under my skirt, pulling my panties over my thighs and down past my ankles, before making my move. With Noel still hunched over, and gripping his dick, I arched my leg right over his lap and held onto the back of his seat with both hands, ready to mount him.

Pulling my knees forward and together slightly to fit into the seat, his swollen head popped into my pussy, as the explosions from the action scene sounded behind me. My cunt was sopping from the excitement of it all, and I could tell Noel was biting down on his lip to stop himself from spraying inside me too soon. He pulled me closer and looked over my shoulder, focusing on the movie to further prevent any accident, whilst I ground my twat hard onto his dick. The angle I had created was stimulating my clit and I took one hand away from the seat to frig myself.

Noel responded by opening my butt, and slipping his index finger into my tight, puckered anus. This was just too much and, letting out a soft growl of pleasure as I buried my face into his neck, I drenched his shaft with my juices as I climaxed heavily.

Noel responded by draining his prick into my dripping twat, his mouth fastened around my still-clothed tit as he did, to muffle his moans of pleasure.

Recovering my composure, I suddenly became very aware of the silent cinema and the outrageous position I was in! Needless to say, we didn't stay to the end of the film, getting out of there as soon as we'd gotten ourselves decent again. Although we both enjoyed our risqué little encounter, we decided that next time it may be safer to get it out on Blu-ray!

Our real readers' letters sack!

The sex and the titties show

One Sunday afternoon last year my boyfriend Dave and I were sharing a few bottles of wine with my mate Sally, whose husband was away on business.

We were side by side on the sofa, pleasantly tipsy, when the conversation turned to sex - what else? "My Steve likes me to tit-fuck him," said sally. "He's got a big tool, but I can make it vanish in here!" she said, placing her hands on her tits. She told us how she squeezes Steve's cock between them, and bangs away until he cums on her face.

Dave had a big bulge in his jeans, and I could see why. Sally's T-shirt was stretched over the biggest pair of tits I've ever seen. Without thinking I said, "Let's see what the fuss is all about."

Sally didn't need asking twice. She pulled off her top to show her massive breasts straining against the material of her bra. Her tits bulged over her bra each time she breathed in. Then she

unsnapped her bra and threw it behind her.

Her massive tits were thrust out, bouncing and swinging. I said nothing, just reached over and weighed those magnificent orbs with my hands. They were heavy and very firm.

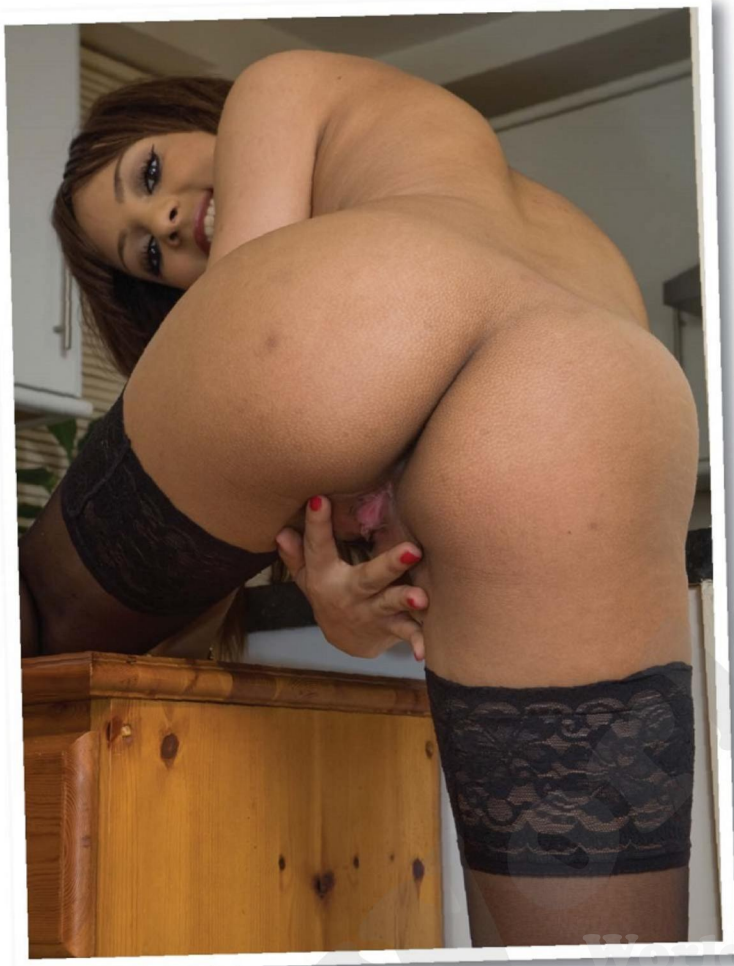
Then I took one luscious tit in both hands and raised it to my mouth. Dave leaned over and did the same thing with the other one. I felt the nipple grow and she began to give out little gasps.

I looked up and saw that Dave's thick cock was poking out, pointing at the ceiling, with Sally's hand clamped around it. I felt her other hand groping under my skirt, pushing my knickers away from my cunt-lips and working her fingers inside me.

Dave and I carried on suckling like two hungry twins. I put my hands down to stroke sally's clit through her sopping pants and found Dave's hand already there. Sally continued to gasp and moan, begging, "Fuck me, please!"

I pushed Dave aside, tore off my clothes and the rest of Sally's, and knelt between her legs. I licked her plump, pink cunt-lips and slurped at her love juice. My lips found her clit and closed around it. It was hard and twitched as I teased it with my teeth.

Then I climbed on top of her and buried my face in her mountainous jugs, reaching my hand down to push my fingers into her slippery cunt. I pushed three fingers inside her and she thrust her arse backwards and forwards onto me.



"Dave pumped her harder as Sally stabbed her tongue into me"

She moved faster and faster as her climax approached and I moved my free hand between the cheeks of her backside, found her arsehole and pushed one finger up as far as it would go. She came in a mixture of shrieks and groans.

I was so sexed up that my nipples were as hard as spikes and my clit was throbbing. I wanted Dave's cock inside me, but Sally took charge and rolled me gently onto the floor. She let her tits swing across mine, then dragged hers down to my thighs. She held each breast with both hands and caressed the inside of my legs with each in turn, and used her long hard nipples to tease my clit.

She moved her tongue to my aching twat and I saw Dave come and stand between her. He grasped her buttocks and eased himself into her. I wrapped my legs round Sally's head as Dave started to thrust. Sally rammed her tongue further into me. Her nails dug into my arse cheeks and her tits slapped against me.

Dave reached under to grab her swinging jugs for himself. As he began to pump harder and harder Sally stabbed deep into me with her snake-like tongue. The throbbing in my cunt was growing stronger and I knew my climax was building up.

Dave yelled, "I'm cumming!" I could feel his last thrust as he fired into Sally and I could hear her orgasmic squeal. Her tongue buried itself deep inside me and I came, bouncing and grinding my arse.

Funny games at poker night

Two years ago a friend of my husband's broached the subject of swapping or sharing girlfriends.

My husband had always had a fantasy about this so the conversation soon turned to how and when.

I was very unsure and nervous at first but agreed at least to see how things went if we spent an evening together.

Fortunately my husband's friend, James, was a really easy going and funny guy which put us all at ease when we arrived at his place after a long drive.

His girlfriend, Tara, made us a meal and we opened a bottle of wine. Afterwards we agreed to a game of strip poker.

We played the first few hands with no forfeits, but after that the loser had to remove an item of clothing. Within no time we were all throwing bits of kit off.

My husband was the first to lose all his clothes completely, followed closely by James. They'd played suspiciously badly, maybe to make it easier for me.

They were both sitting there completely naked with their cocks already hard. I had only a skimpy G-string left and I was getting turned on.

"He was having great fun eagerly soaping my small firm boobs"

Then James made the first move by suggesting that he and I take a bath together. I was ready to allow things to develop further so I agreed.

My husband and Tara agreed to wash our backs or whatever else we wanted! I nervously peeled off my panties and got into the bath with James, trembling with anticipation.

After a few minutes splashing around our partners were completely forgotten as we eagerly washed each other.

I was fascinated by James's penis which was circumcised – something I'd never seen before. I loved soaping his cock as it grew harder.

He was having great fun soaping my small, firm breasts. He ran his slippery fingers over them, stopping to tweak my nipples with his thumb.

We quickly got out of the bath and all four of us went to the bedroom. Here my husband watched as I lay on the bed and allowed James to spread my legs.

He knelt over me and ran his tongue down the length of my body, pausing to take in each bullet-hard nipple on the way. I moaned as he reached my soaking pussy.

He began to lap at my sweet nectar while my husband stood by and slowly pulled his cock. I closed my eyes as James teased my clit.

After about a minute of being licked out I came with a groan and a surge of juice. I opened my eyes to see that Tara was now on her knees sucking my husband's cock.

James then got on top of me as my husband got his balls sucked by Tara. He guided his helmet to my pussy lips and slowly inserted his shaft.

He fucked me hard and fast for several minutes but because I was not on the pill I told him not to spurt in my pussy.

Then I turned over and told him he could fuck my arse if he liked. He massaged my pussy juice into my arsehole with his thumb. He slowly eased his thick cock into my tight arse until he was in almost as deep as his balls.

He started to pump slowly and gradually sped up his thrusts. The hard ridge of his helmet sent me wild and I had a tremendous orgasm.

I felt his circumcised cock twitch and then a lovely hot gush of sperm spurted into my arse. As soon as James pulled out my husband took his place.

He wedged his cock into my stretched arsehole in one motion. After just a few hard strokes my husband mixed his spunk with James's deep in my arse.

Since that evening I have had a couple of other interesting experiences with other men. I love the idea of men wanking and spurting over my tits and pussy.

"I get so turned-on with you watching me playing with my big boobs and finger-fucking my pussy," drawls Sophia, funbags jiggling as her fingers work their magic in her sticky, hairless hole. "Even in my private life, I like to have a camera rolling so I feel like I'm fucking for an audience!" Encore!

SOPHIA

Busting out all over is young mum full of cum Lilly. "I enjoy getting shagged hard – I'm quite a sight when I'm getting nailed at full pelt, boobs flying everywhere. These bad boys need to be controlled – so ideally I like to have some bad boys licking, sucking and fucking them while my pussy gets drilled!"

FILM PHW

LOOK LIVELY! THE BEST OF THE BALL BUSTERS DEMAND YOUR ATTENTION

Chicks In Charge!

Control 9

Released by: Digital Playground
Starring: Gabriella Fox, Eva Angelina, Memphis Monroe, Kelly Divine, Lacey Maguire

BEST BITS: The title of this blockbuster gives you a hint of the filth to come – strong hotties taking control in order to get their rocks off. Director Robby D's camera angles are pure perfection: plenty of nicely framed bum, boob and POV shots all make for great viewing and the scorching anal, toe-sucking, rimming and facial action will stick you to your seat – literally. *Control 9* features Gabriella Fox's debut and it doesn't disappoint: it's a hot, hi-energy scene, which shows off her talents to their best. Seeing Kelly Divine oiling herself up before waking her sleeping beau and begging him to fuck her ample arse made us instantly hard, and blonde Wigan lass Lacey Maguire (*left*) more than holds her own against her American co-stars, having whipped cream squirted into her arse and eaten out again. The eva-popular Eva Angelina (*top right*) made us wince for one stud's prick when she impaled anally herself on his pork-sword so vigorously that we expect his dick to break. Good work, girl!

WORST BITS: There isn't quite the domination that we felt the film below possessed. Better luck next time, Digital Playground!

DVD FEATURES: Cumshot recap, photo gallery, trailers, 8-minute BTS featurette.

All Girl Fight Club

Released by: Private Xtreme (45)
Starring: Adrianna Nicole, Madison Young, Sharon Darling, Ariel, Brix, Syd Black

BEST BITS: *All Girl Fight Club* is not for everyone – only those who have a fetish for naked female wrestling will appreciate it! It's set up like a wrestling match – complete with referee and unscripted pre-match interviews. With six girls in three scenes, they really do fight: dressed in bikinis, they try to score points by throwing their opponent, using submission locks, or by ripping their bikinis off. And the best bit is, the winner doesn't get a trophy, but a strap-on – which she then gets to fuck the loser up the arse with! Now that we've seen this DVD featuring spanking, hair pulling, foot fetish and some seriously hardcore sex, we say fuck the WWE!

WORST BITS: What's not to like? It's everything we wanted Mortal Combat to be! Girl-on-girl porn has never been more exciting!

DVD FEATURES: Entire bonus scene, photo gallery.

OOOAAR!

Girls Behaving Badly

Released by: Harmony Films
Starring: Angel Long, Paige Turnah, Rebecca More, Karlie Simon, Shay Hendrix

BEST BITS: Slick-looking, well-lit, high-fetish production from now-legendary director, Tanya Hyde. Each scene features a latex-clad porn star who knows exactly how to get the dirty, depraved sex they want. All five girls shine in their storyline: Paige Turnah (*left*) seduces her chauffeur and insists he screws her pussy with a dildo before replacing it with his dick.

Bombshell Shay Hendrix, looking amazing with her slicked-back hair and red lipstick, gets pounded hard. Also features Angel Long demanding to be done by an Omar dressed as a Nazi! If you're looking for women who can more than hold their own, look no further!

WORST BITS: Karlie Simon's scene is too vanilla.

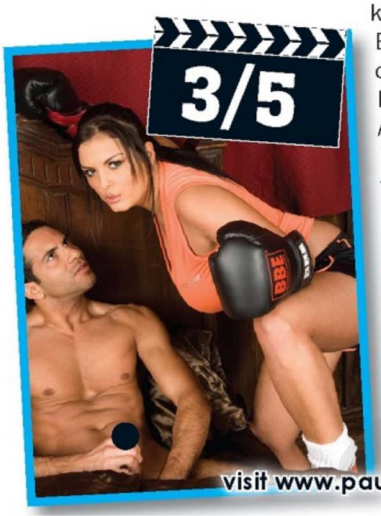
DVD FEATURES: Cumshot recap, trailers, photo gallery.

4/5

Fuck Me Or Fight Me

Released by: Bluebird Films
Starring: Black Angelika, Kerry Louise, Jasmine Black, Chloe Conrad, Britney

BEST BITS: A good flick for those who want their porn stars to act like tough bitches. The opener sees Jasmine Black (*below*) fucking the life out of her stud, her boxing gloves dwarfed by her massive knockers.



But what do they say about saving the best till last? A threesome featuring Black Angelika and Chloe Conrad is the highlight of the movie. Watching them share a cock is a sight to behold!

WORST BITS: Lighting. Falls short on the dominance that the title promises.

DVD FEATURES: Trailers, slideshow, photo gallery, cumshot recaps.
